AMC organizations receive DoD Value Engineering Achievement Award

Five U.S. Army Materiel Command organizations are named as a 2006 Department of Defense Value Engineering Achievement awards winner. Recipients are:

- Program/Project: Army Small Computer Program, Communications-Electronics Life Cycle Management Command, Fort Monmouth, N.J.
- Individual: Terrie Bramlett, U.S. Army Aviation and Missile Life Cycle Management Command, Redstone Arsenal, Ala.
- Organization: AMCOM
- Special: VE Team, U.S. Army Joint Munitions Command, Rock Island Arsenal, Ill.
- Special: Precision Fires Rocket & Missile System Project Office, Integrated Produce Team Leads, Aviation Rockets Product Manager, Redstone Arsenal, Ala.

The Value Engineering Awards Program recognizes exemplary achievements and encourages additional projects to improve in-house and contractor productivity. An awards ceremony will be held May 16 at the Pentagon. For the full story, visit <http://www.defenselink.mil/releases/release.aspx?releaseid=10583>.

Letterkenny Javelin team receives 2 awards

The Javelin Joint Venture Logistics Team, Letterkenny Army Depot, Pa., recently received the Lockheed Martin Logistics Facility Award for Excellence. This prestigious annual award honors the off-site logistics facility that has made significant contributions in support of the customer.

In a separate presentation, the team was also awarded the Defense Logistics Award for Contractor-Military Collaboration. These awards have been established to honor, recognize and promote logisticians in DoD and the defense industry who have made a significant contribution to military logistics. For more information about Letterkenny, visit <http://www.letterkenny.army.mil/>.

NCMA-Picatinny Chapter Names Prestigious Fellow Award Winner

Gregory Gorman, Joint Armaments Contracting Center, Joint Munitions and Lethality Life Cycle Management Command, Rock Island Arsenal, Ill., recently received the National Contract Management Association Fellow Award.

NCMA is a professional organization for government contracting personnel. The Fellow designation is NCMA's third-highest award and is reserved for individuals who have made significant contributions to the field of contracting and to the NCMA. For more information about Picatinny, visit <http://www.pica.army.mil/JML/Default.asp>.

Did you know ... SMART program to include civilians

The Sergeant Major of the Army Recruiting Team program allows members of the Army, Army National Guard, Army Reserve, retirees and now Department of the Army government civilian employees to receive a \$2,000 cash bonus for each recruitment referral.

DA civilians will be eligible to receive the monetary bonus once the final program implementation is published. Check the HQAMC [news release website](#) for the announcement this coming week.

For more information about the SMART program, visit <http://www.futuresoldiers.com/html/referrals.jsp>.
